SUMMARY:

Associate Professor of International Commercial Law with over 18 years of academic and professional experience in research, teaching, legal practice, and institutional consultancy. Since March 2008, I have been engaged in research across diverse areas of International Commercial Law, with particular expertise in Company Law, Contract Law, Financial and Banking Law, Arbitration Law, and Law & Economics. I have extensive experience in university teaching, academic supervision, and professional legal training. In parallel with my academic career, I have worked as a legal professional with international trading companies in South Korea, Vietnam, advising on taxation, corporate governance, commercial and financial transactions, intellectual property, regulatory compliance, and financial structuring. I also serve as a consultant to various institutions and governmental and non-governmental entities, providing expert advice on corporate and financial structuring, dispute resolution, commercial negotiations, and policy-related legal matters.

RESEARCH INTERESTS:

International commercial law- E-signature for the consumer - Contract Law- Consumer Protection in E-commerce Transactions- Intellectual property Law and Copyright- Legal Determinants of Foreign Direct Investment in Egypt- Anti-dumping-Public Private Partnership Contracts.
