SUMMARY

With over 20 years of experience in management, research, training, teaching, and development consultancy, I have held senior executive positions and served as a lecturer and certified trainer recognized by various local and international bodies. My expertise encompasses strategic planning, budgeting and institutional development, where I have designed and implemented numerous training and postgraduate programs. I have conducted research and developed strategic plans at national, sectorial, and institutional levels, focusing on governance, sustainable development, education, youth, migration, and labor market readiness. My role as a high-level official has involved collaboration with a diverse range of governmental and non-governmental organizations.
