

CURRICULUM VITAE
ABDEL-AZIZ IBRAHIM TAGELDIN

NAME	Abdel-Aziz Ibrahim TAGELDIN
DATE OF BIRTH	10 October 1945
CITIZENSHIP	Egyptian
CONTACT	41 Ibrahim Al-Refaie Street, 8 th District, Nasr City, Cairo, Egypt. e-mail: abdelaziz.ibrahim10@gmail.com , Mob: +201016700034
EDUCATION	PhD, Water Resources Economics. Georgian Polytechnic Institute, Tbilisi, Georgia 1980. M.Sc., Water Resources Economics. Georgian Polytechnic Institute, Tbilisi, Georgia 1976. Diploma, Institute of National Planning, Cairo, Egypt 1973. B.Sc., Irrigation. Cairo University, Cairo, Egypt 1968.
MEMBERSHIP OF PROFESSIONAL BODIES	Member of Advisory Board of Water-Energy-Food-Ecosystems Nexus for Mediterranean Countries (WEFE4MED). Member of Advisory Board of Center of Data Analytics and Consultancies (CDAK). Institute of National Planning Member of Arab Water Council Member of Egyptian Engineering Syndicate
POSITIONS HELD	1992- now: Professor of Agricultural Planning & Development, Institute of National Planning, Cairo, Egypt. 1992-1987: Senior Expert of Agricultural Planning & Development, Institute of National Planning, Cairo, Egypt. 1980-1987: Expert of Agricultural Planning & Development, Institute of National Planning, Cairo, Egypt. 1987-1980: Researcher, Institute of National Planning, Cairo, Egypt. 1980-1968: Assistant Researcher, Institute of National Planning, Cairo, Egypt.
COUNTRIES	Afghanistan, Cyprus, Egypt, Georgia, Iran, Iraq, Italy, Jordan, Kazakhstan, Kuwait, Kyrgyzstan, Lebanon, Libya, Mauritania, Morocco, Oman, Pakistan, Saudi Arabia, Sudan, Syria, Tajikistan, Thailand, Tunisia, Turkey, Yemen, United Arab Emirates and USA.
LANGUAGES SPOKEN	Arabic, English and Russian.

SUMMARY OF EXPERIENCE

Experience with the EU

(From 07 April 2022 to 22 May 2022)

Under the EU Water Sector Technical Assistance and Reforms Support (EU Water Stars), I participated in preparing the Policy Note on “Integrated water and food Security in Egypt”.

Under the above mentioned project I prepared two concept Notes:

1. Preconditions to Ensure Effective Implementation of the Irrigation Modernization Project”.
2. Supporting Services for On-going Modernization Project Capacity Building”.

Also, I carried out two a training workshop on “Investment Appraisal of Investment Projects”.

Experience with USAID

USAID/EPSP (2.5 months, 2017)

USAID/MESR (from May, 2022 to December 2023)

- On behalf of the Institute of National Planning (INP), prepared the Technical and Financial proposals for the bid declared by EPSP for training of 60 participants from Ministry of Planning, Monitoring and Administrative Reform and 60 participants from affiliated Ministries on “Feasibility Studies Preparation and Evaluation”.
- Participated as Supervisor and Main Trainer for the six training workshops carried out for “Feasibility Studies Preparation” and the three training workshops on “Feasibility Studies Evaluation”.
- Prepared a complete training kit (manual + applications + case studies + power point presentations) for USAID MESR project. Conducted 3 training workshops including a TOT workshop for 16 participants from Ministry of Planning and Economic Development & Institute of national planning followed by a workshop for 6 ministries and finally a sector-specific short workshop.
- Participated in the preparation of an E-learning workshop.
- Senior Organizational Development Expert with Institute of International Education (IIE).

Experience with The Water-Energy-Food Nexus

- Author of a paper on “Enhancing the Water-Energy-Food Nexus in Egypt in the Context of Climate Change”. Policy monograph, issue number (11), May 2020. Institute of National Planning, Cairo, Egypt.
- Teaching a course on “The Water-Energy-Food-Climate Nexus” in the academic master’s degree of the Institute National Planning, Cairo Egypt.

Experience with Climate Changes

- Author of a paper on “Impact of Animal Agriculture on Water and Climate Change: Mitigation Strategies in the Context of Water Footprints”. Institute of National Planning, Cairo, Egypt. November 2021.
- Teaching a course on “Climate Change: Causes, Effects and Measurements” in the academic master’s degree of the Institute National Planning, Cairo Egypt.

Experience with Governance

Presented a paper on “Role of Governance in Supporting the Environmental Dimension of Sustainable Development”. International Conference on Governance and Sustainable Development. Institute of National Planning, Cairo, Egypt. 3 – 4 June 2023.

Experience with Value Chain Analysis

Carried out a series of Sub-sector Value Chain Analysis in different countries. Among these studies two studies in Thailand for Rice and Soybean, one study in Syria for Olive Oil, and two studies in Egypt for Supply Chain of Rice.

Experience with Policy Analysis and Comparative Advantage and Competitiveness

As a preparatory work for agricultural strategies, the consultant carried out a series of comparative advantage and competitiveness studies in different countries.

- Carried out a series of comparative advantage and competitiveness studies in different countries.
- Participated in the preparation of agricultural strategies of Egypt, Saudi Arabia, Yemen, Palestine, Kazakhstan, Kyrgyzstan, Tajikistan.
- Carried out many training courses/workshops on comparative advantage and competitiveness in many countries such as Syria, Libya and Afghanistan.

Experience with Water and Food Security

- Presented a paper on “Water Footprint for Agro-processing Products and its Role in Sustainable Development” in the International Conference on “Sustainable Industrialization” held at INP, May 2018.
- Peer reviewer of 'the draft study report of the analysis of Virtual water/water footprint of the agricultural commodities of the Nile Basin countries. August 2012.
- As a member of the Egyptian delegation, participated in the Sixth World Water Forum" in Marseille, France, 12-17 March, 2012.
- As Arab Water Council (AWC) consultant, prepared for the International Fund for Agricultural Development (IFAD) a study on Water and Food Security in the Arab Region. AWC, February 2012.
- Under the Socio-economic Development and Benefit Sharing project (SDBS) of the Nile Basin Initiative (NBI) prepared a study on “the Concept of Virtual Water”. Institute of National Planning, Cairo, Egypt 2009.
- As FAO Consultant, carried out a two-week training course on “Food and Nutrition Policies” in Sudan.

Experience with the SDGs

- Coordinator for the team formed by the “Central Agency for Public Mobilization and Statistics” (CAPMAS) to monitor the indicators of the 5th target of the Goal 6 (Water and Sanitation).
- Member of the committee for Water Resources and Irrigation pillar updating Egypt’s Vision 2030.

Experience with Development Alternatives, Inc. (DAI)

- Participated in some studies for Agricultural Policy Reform Program (APRP),
- Co-author for “Feasibility and Options for an Endowment to Support Agricultural Genetic Engineering Research Institute (AGERI)”.

2010-2006

Egypt: Round Table on Water in Arab World

- As an expert of the Institute of National Planning (INP), presented a paper in the World Bank Round Table on Water in Arab World. INP, Cairo, Egypt, April 2010.

Egypt: Regional Workshop on “Emerging Global Issues in Food and Agriculture: Implications for Agriculture and Food Security in the Near East”

- As INP staff and FAO consultant organized and lectured in the Regional Workshop of The “Near East and North Africa Regional Network for Agricultural Policies” (NENARNAP). INP, Cairo, Egypt, 22-23 November 2009.

Egypt: The Strategy of Agricultural Development in Egypt Until the year 2030

- As FAO Consultant participated in the Agricultural Strategy by conducting a study on Comparative Advantage and Competitiveness. Cairo, Egypt, July-October, 2008.

Yemen: Qat Production in Yemen: Water Use, Competitiveness and Possible Policy Options for Change - TCP/YEM/3103

- FAO International Consultant. Conducted a study on qat for the Ministry of Agriculture and Irrigation. April - May, 2008.

Yemen: Water Saving Project

- FAO International Consultant. Conducted cost-benefit analysis for 20 irrigation water saving projects for the Irrigation Department of Ministry of Agriculture and Irrigation. Sana’a, Yemen, August – October, 2008.

Egypt: Training Course on “Economic Valuation of National Water Policies”

- Participated as a lecturer in the training course organized by Ministry of Water Resources and Irrigation and financed by GTZ. Ismailia, Egypt, 9-13 November 2008

Afghanistan: Support to FAAHM Project in Developing an Agricultural Statistics and Market Information System - (GCP/AFG/042/EC), Ministry of Agriculture, Irrigation and Livestock (MAIL).

- FAO International Consultant in Policy and Economic Analysis. Trained local staff on: (i) annual progress reporting and reviews, (ii) evaluate of projects and programs, (iii) policy evaluation, and (iv) synergies of plans and policies of various technical departments and sub-sectors. Kabul, Afghanistan, 25 July to 25 October, 2007.

Egypt: Socio-economic Development and Benefit Sharing (SDBS) Project, Nile Basin Initiative (NBI)

- Conducted two working papers for the scoping study on Transboundary Trade (i) Comparative Advantage and Competitiveness; and (2) Virtual Water Trade. INP, Cairo, Egypt, January 2007.

Uganda: Inception Workshop of the Participating Institutions

- Represented the Institute of National Planning (INP) in the Inception Workshop on “Socio-economic Development and Benefit Sharing (SDBS) Project, Entebbe-Uganda 3-4 April, 2006.

Libya: Support to Enhance National Capacity for the collection and Analysis of Farm Level Economic Data – TCP/LIB/3001 (A)

- FAO consultant in applied agricultural planning to train a group of agricultural engineers of the MOA in data collection and analysis for the construction of an electronic database and its utilization for policy analysis. Tripoli, Libya, 21 November 2004 – 4th January 2005.
- FAO consultant prepared a study on “Comparative Advantage and Competitiveness of Cereal Production in Libya”. Tripoli, Libya, 16 July – 4th September 2005.

2005 -2000

Kyrgyzstan: Capacity Building in Agricultural Policy Analysis – TCP/KYR/2905 (T)

- FAO agricultural policy economist trainer: conducted an “*Introductory Workshop on Agricultural Policy Analysis*”. Bishkek, Kyrgyzstan, 1 – 12 March 2004.

- FAO agricultural policy economist trainer: conducted an *"Advanced Training Workshop on Agricultural Policy Analysis"*. Bishkek, Kyrgyzstan, 21 - 27 February 2005.

Kazakhstan: TCP/KAZ/2900 and TCP/KAZ/3003

- FAO consultant conducted a study on *"Economic Incentives and Comparative Advantage in Kazakhstan Agriculture Production"*. Astana, Kazakhstan, 2002.
- FAO consultant conducted a study on *"Small Households of Sheep in Kazakhstan"*. Astana, Kazakhstan, 2005.

Libya: Support to Enhance National Capacity for the collection and Analysis of Farm Level Economic Data – TCP/LIB/3001 (A)

- FAO consultant in applied agricultural planning to train a group of agricultural engineers of the MOA in data collection and analysis for the construction of an electronic database and its utilization for policy analysis. Tripoli, Libya, 21 November 2004 – 4th January 2005.
- FAO consultant prepared a study on *"Comparative Advantage and Competitiveness of Cereal Production in Libya"*. Tripoli, Libya, 16 July – 4th September 2005.

Tajikistan: Support to the Preparation of Investment Projects within the National Program for Food Security (NPFS).

- FAO consultant conducted an *"Introductory Training Workshop on Agricultural Policy Analysis"*. Dushanbe, Tajikistan, 6 - 22 October, 2004.
- FAO consultant conducted a workshop on *"Agricultural Marketing and Trade"*. Dushanbe, Tajikistan, 25 October - 8 November, 2004.

Yemen: Contribution to the Preparation of an Agricultural Policy Note. FAO/WB Joint Program.

- FAO consultant carried out a study on *"Competitiveness and Policy Options for Agricultural Development of the WB Rural Development"*. Sana'a, Yemen, 19 – 25 April, 2002 and 7 – 28 October, 2002;

Yemen: Formulation of a Comprehensive Qat Policy – Technical Field Study. TCP/YEM/0067

- FAO agricultural policy analyst, designed questionnaire and supervised field data survey for qat in different ecological zones of Yemen. Sana'a, Yemen, 26 March – 5 April, 2002.
- FAO agricultural policy analyst, carried out as a co-author the policy analysis part of the study devoted to the assessment of the economic and resource depletion impacts of qat sub-sector. 20 May – 07 June, 2002;

Jordan: Arab Organization for Agricultural Development (AOAD)

- Policy analysis trainer in the *"Training Workshop on Agricultural Policy Analysis"*. Amman, Jordan, 12 – 17 March, 2001.

Egypt: Rice Supply Chain in Egypt

- FAO consultant carried out a study on *"Rice Supply Chain in Egypt – Commodity Chain Analysis Methodology"*. Cairo, Egypt, 01 May – 29 June, 2004.

Iran: Framework for Sustainable Development Strategy for Agricultural Sector. TCP/IRA/0168

- FAO senior policy analyst designed questionnaire and supervised field data survey for major crops and livestock systems in Iran. Agricultural Planning and Economic Research Institute (APERI), Tehran, Iran, 8 – 22 November, 2001.
- FAO senior policy analyst carried out a study on *"Comparative Advantage and Competitiveness of Crops and Livestock"*. Agricultural Planning and Economic Research Institute (APERI), Tehran, Iran, 12 – 30 June, 2002.

Kuwait: Arab Planning Institute (API)

- Carried out one-week training workshop on *"Strengthening Sustainable Issue and Environmental Impact Considerations in the Planning and Agricultural Investment Projects"*. Kuwait, 11 – 17 May, 2001.

Egypt: The International Center for Advanced Mediterranean Agro-economic Studies (CIHEAM)

- Carried out a study on “*Food, Rural and Agricultural Policies in Egypt*”. Cairo, Egypt, July – September, 2001.

Egypt: United States

- Carried out a study on “*Food, Rural and Agricultural Policies in Egypt*”. Cairo, Egypt, July – September, 2001.

1999 - 2000

Syria: Assistance in Institutional Strengthening and Agricultural Policies - GCP/SYR/006/ITA

- FAO consultant conducted a training course on “*Investment Planning and Cost Benefit Analysis of Projects and Policies*”. Damascus, Syria, 12 May – 16 June 2000.

Egypt: Agricultural Strategy for Egypt, EGY/98/007

- FAO Consultant prepared a study on “*Impact of Macro Policy on Agricultural Sector in Egypt*”. Cairo, Egypt, 20 April – 9 May, 2000.

Kuwait: Arab Planning Institute (API)

- Carried one-week course on “*Agricultural Policies*”. Kuwait, 25 – 29 March 2000 and 3 - 7 April 1999.
- Carried one-week course on “*Environmental Impacts Assessment of Agricultural Investment Projects*”. Kuwait, 11 - 15 December 1999.

Egypt: Development Alternatives, Inc. (DAI) . Agricultural Policy Reform Program (APRP).

- USAID consultant prepared a study on “*Feasibility and Options for an Endowment to Support Agricultural Genetic Engineering Research Institute (AGERI)*”. Cairo, Egypt, March 2000.

Egypt: Policy analysis trainer for the Management and Development Arab Center (MADAC). The courses were financed by USAID and delivered to the officials of the Egyptian Ministry of Agriculture and Land Reclamation. Each course lasted two weeks and was repeated three times:

- *Introduction to Policy Analysis Tools*. Cairo, Egypt, 4 July – 12 August 1999.
- *Policy Analysis Matrix (PAM)*. Cairo, Egypt, 15 August – 23 September 1999.
- *Commodity Chain Analysis (CCA)*. Cairo, Egypt, 26 September – 4 November 1999.
- *Partial Equilibrium Analysis*. Cairo, Egypt, 7 November – 26 December 1999.
- *Data Simulation and Analysis (WINDASI)*. Cairo, Egypt, 30 January – 8 March 2000.

Egypt: Egyptian International Center for Agriculture (EICA)

- Lectured in “*Financial and Economic Analysis of Agricultural Investment Projects*” within a Project Analysis Course for participants from Africa, Asia and Latin America. Cairo, Egypt, October - November 1999.

1997 - 1998

Georgia: Training for Capacity Building in the Agricultural Sector - TCP/GEO/6713

- FAO consultant lectured in a training course on “*Marketing and Food Industry Policies*”. Tbilisi, Georgia, 9 – 20 March, 1998.

Egypt: Senior Organizational Specialist with the Institute of International Education (IIE), USAID-Egypt Project No. 263-0244. Following Training Needs Assessment studies have been prepared:

- Training Needs Assessment for “*Growth Through Globalization (GTG)*”. Cairo, Egypt, November 1998.
- Training Needs Assessment for “*Development Economic Policy Reform Analysis (DERA)*”. Cairo, Egypt, October 1997.
- Training Needs Assessment for the “*Agricultural Policy Reform Program (APRP)*”. Cairo, Egypt, September 1997.

Egypt: FAO, SESRTCIC and AOAD

- FAO consultant organized and lectured in training seminar on “*Strengthen Sustainability Issues and Environmental Considerations in Agriculture Policy Analysis and Planning: Focus on Water*”. Cairo, Egypt, 27 September – 8 October 1998.

Lebanon: Expert Group Meeting on “Promoting Regional Coordination and Integration in Food and Agriculture”.

- Participated in the meeting and presented a paper on “*The Comparative Advantage of Agricultural Products in the Context of Arab Countries Coordination and Integration*”. Beirut, Lebanon, 17 – 19 November 1997.

Egypt: Egyptian International Center for Agriculture (EICA)

- Lectured on “*Financial and Economic Analysis of Agricultural Investment Projects*” within a Project Analysis Course for participants from Africa, Asia and Latin America. Cairo, Egypt, October - November 1998 and 1997.

Kuwait: Arab Planning Institute (API)

- Lectured in a workshop on “*Project Planning and Appraisal in the Arab Countries*”. Kuwait, 6 - 24 December 1997.

Egypt: Economic and Social Commission for Western Asia (ESCWA)

- ESCWA consultant prepared a study on “*Evaluation of Agricultural Policies in Egypt*”. Cairo, Egypt, September 1997.

Jordan: Economic and Social Commission for Western Asia (ESCWA)

- ESCWA consultant lectured in a training workshop on “*Population Policies and Sustainable Development: Food and Environment*”. Amman, Jordan, 29 June – 3 July 1997.

1995 - 1996

Palestinian Territories: Agricultural Policy Analysis and Planning - PAL/96/012

- FAO consultant prepared a study on “*Comparative Advantage of the Palestinian Agriculture*”. Ramallah , Palestinian Territories. December 1996 – February 1997.

Kuwait: Arab Planning Institute (API)

- Lectured in the workshop on “*Project Planning and Appraisal in Arab Countries*”. Kuwait, 12 November – 1 December 1996 and 21 October – 8 November 1995.

Egypt: Egyptian International Center for Agriculture (EICA)

- Lectured on “*Financial and Economic Analysis of Agricultural Investment Projects*” within a Project Analysis Course for participants from Africa, Asia and Latin America. Cairo, Egypt, October - November 1996 and 1995.

Syria: Agricultural Planning, Policy Analysis and Statistics - GCP/SYR/002/ITA

- FAO consultant prepared a study on “*Commodity Chain Analysis – Olives*”. Damascus, Syria, December 1995.

Jordan: Food and Agriculture Organization of the United Nations (FAO)

- FAO consultant lectured in the “*Regional Training of Trainers Workshop on Food and Agriculture Policy Analysis*”. Amman, Jordan, 14 –26 October 1995.

Egypt: Economic Development Institute of the World Bank (EDI) and Arab Organization of Agricultural Development (AOAD)

- Organized and lectured in four-week workshop on “*Training of Trainers in Agricultural Policy Analysis*”. Cairo, Egypt, 20 may – 8 June 1995.

Egypt: Friedrich Nauman Foundation and FAO

- Organized and lectured in the training workshop on “*Environmental and Social Impacts of Agricultural Development Projects*”. Cairo, Egypt, 11 – 22 June 1995.

1993 - 1994

Thailand: Training in Agricultural Policy Analysis – TCP/THA/4451

- FAO “*Senior Training Advisor and Team Leader*”. Ministry of Agriculture, Bangkok, Thailand, May 1994 – April 1995.

Egypt: Friedrich Nauman Foundation and FAO

- Prepared a case study on “*Environmental Impacts of North Sinai Agricultural Development Project - NSADP*”. Cairo, Egypt, December 1994.

Pakistan: FAO Project – PAK/90/012

- FAO consultant lectured in a workshop on “*The Analysis of Agricultural Investment Projects with DASI*”. Quetta, Pakistan, 28 May – 9 June 1994.

Sudan: FAO

- FAO consultant lectured in a course on “*Agricultural Policy Analysis*”. Khartoum, Sudan, 8 – 20 December 1994.

Egypt: FAO and ESCWA

- FAO consultant organized and lectured in a regional “*Training of Trainers Workshop on Food and Agricultural Policy Analysis*”. Cairo, Egypt, 6 – 18 November 1994.
- FAO consultant organized and lectured in a regional workshop on “*Agricultural Policy Analysis*”. Cairo, Egypt, 21 November – 8 December 1993.

Pakistan: FAO Project – GCP/PAK/077/SWI

- FAO consultant lectured in a workshop on “*The Analysis of Agricultural Investment Projects with DASI*”. Karachi, Pakistan, 6 – 18 February 1993.

Egypt: FAO

- FAO consultant organized and lectured in a workshop on “*Environmental Impacts of Agricultural Development*”. Cairo, Egypt, 6 - 12 December 1993.

1991 - 1992

Thailand: FAO Project: Agricultural Planning and Policy Analysis with CAPPa – TCP/THA/2251

- FAO *Senior Economic Advisor and Team Leader*. Ministry of Agriculture, Bangkok, Thailand, July 1992 – August 1993.

Egypt: FAO and ESCWA

- FAO consultant organized and lectured in the “*Regional Workshop on Agricultural Policy Analysis*”. Cairo, Egypt, 14 November – 2 December 1992.

Oman: FAO and ESCWA

- FAO consultant lectured in a workshop on “*Agricultural Project Planning and Analysis*”. Muscat, Oman, 9 – 27 May 1992.

Pakistan: FAO Project GCP/PAK/077/SWI

- FAO consultant lectured in a workshop on “*The Analysis of Agricultural Investment Projects with DASI*”. Karachi, Pakistan, 15 - 27 February 1992.

Pakistan: FAO Project GCP/PAK/88/012

- FAO consultant follow-up course on “*The preparation of CAPPa Data Base*”. Lahore, Pakistan, 2 – 10 March 1992.

- FAO consultant lectured in a workshop on “*The Use of CAPPA for Agricultural Planning and Policy Analysis*”. Lahore, Pakistan, 10 - 21 February 1991.

Jordan: FAO and NENARACA

- FAO consultant lectured in a workshop on “*The Use of Micro-computer in the Appraisal of Small-scale Agricultural Projects*”. Amman, Jordan, 25 July – 1 August 1991.

Egypt: FAO Population Program

- FAO consultant organized and lectured in a regional workshop on “*Population and Agricultural Planning*”. Cairo, Egypt, 24 May – 2 June 1991.
- FAO consultant prepared a case study on “*Scenarios of Population and Agricultural Planning in Egypt*”. April 1991.

Egypt: FAO and ESCWA

- FAO consultant organized and lectured in a regional workshop on “*Prices and Marketing Policies in Agriculture*”. Cairo, Egypt, 17 November – 6 December 1991.
- FAO consultant prepared a case study on “*The Use of Policy Analysis Matrix (PAM) for Crop Rotations in Egypt*”. October 1991.

Italy: FAO/Headquarter

- Participated in the “*CAPPA Expert Consultation*”. Rome, Italy, 9 – 13 September 1991.

1989 - 1990

Jordan: FAO Project: Assistance in Agricultural Policy Analysis

- FAO consultant carried out two-month study on “*Demand/Supply Projections of Agricultural Commodities 1990-2000 with CAPPA*”. Amman, Jordan, November – December 1990.

Pakistan: FAO/UNDP Project

- FAO consultant lectured in a workshop on “*The Use of DASI for Project Analysis*”. Lahore, Pakistan, 10 – 13 July 1990.

Egypt: FAO and ESCWA

- FAO consultant organized and lectured in the regional workshop on “*Food and Agricultural Policy Analysis*”. Cairo, Egypt, 13 October - 2 November 1990.
- FAO consultant organized and lectured in the “*Introductory Food and Policy Analysis Course*”. Cairo, Egypt, 19 November – 7 December 1989.

Syria: FAO and ESCWA

- FAO consultant conducted a “*Demonstration Workshop on the Computer Package DASI for Agricultural Project Analysis and Loan Appraisal*”. Damascus, Syria, 9 – 16 April 1989.
- FAO consultant carried out a two-week workshop on “*The Use of DASI for Project Analysis*”. Damascus, Syria, 16 – 28 September 1989.

Kuwait: FAO and Arab Planning Institute (API)

- FAO consultant lectured in a regional workshop on “*The Use of DASI for Project Analysis*”. Kuwait, 1989.

Jordan: FAO and NENARACA

- FAO consultant lectured in a workshop on “*The Use of Micro-computer in the Analysis of Small-scale Agricultural Projects*”. Amman, Jordan, 1989.

Turkey: FAO and SESRTCIC

- FAO consultant lectured in a workshop on “*The Use CAPPA for Agricultural Planning and Policy Analysis*”. Ankara, Turkey, 1989.

Sudan: FAO

- FAO consultant conducted two “*Demonstration Workshops on DASI for Project Analysis and CAPPa for Agricultural Sector Planning*”. Khartoum, Sudan 3 – 10 March 1989.

Egypt: FAO and ESCWA

- FAO consultant organized and lectured in a regional workshop on “*Agricultural Policy Analysis*”. Cairo, Egypt, 19 November – 7 December 1989.

1986 - 1988

Iraq: Assistance in Computerized Systems for Agricultural Policy and Project Analysis - TCP/IRQ/8851

- FAO consultant lectured in a workshop on “*The Use of Micro-computers in Project Analysis*”. Baghdad, Iraq, 1988.

Kuwait: FAO and Arab Planning Institute (API)

- FAO consultant lectured in a regional workshop on “*The Use of DASI for Project Analysis*”. Kuwait, 1988 and 1987.
- FAO consultant lectured in a regional workshop on “*The Use of CAPPa for Agricultural Planning and Policy Analysis*”. Kuwait, 1988 and 1987.

Jordan: FAO/TCP Project

- FAO consultant lectured in a workshop on “*The Use of DASI for Project Analysis*”. Amman, Jordan 1987.
- FAO consultant lectured in a workshop on “*The Use of CAPPa for Agricultural Planning and Policy Analysis*”. Amman, Jordan 1987.

Egypt: ESCWA

- ESCWA consultant organized and lectured in a four-week sub-regional training workshop on “*Computer Aided Preparation and Analysis of Agricultural Projects*”. Cairo, Egypt, 15 November – 3 December 1987.

Egypt: FAO/TCP Project

- FAO consultant organized and lectured in a four-week regional workshop on “*The Analysis of Investment Projects Using DASI*”. Cairo, Egypt, 1986.
